

ANTI RAGGING WARNING

Ragging is strictly banned in CGC. In this matter we are known for having zero tolerance.

According to the ruling of Hon'ble Supreme Court of India, in case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he/she may be expelled from the educational institute.

Vision

"To emerge as the most preferred educational group with global recognition developing competent & socially sensitive leaders committed to excellence"

A SAGA OF DISTINCTION

Good institutions are made of something more than bricks and mortar. Good institutions thrive on a shared vision for building careers with a penchant for transforming lives through self discovery, personal evolution and drive for perfection. At CGC we have created an edifice of professional, scientific and technological accomplishments that rests on pillars of ethics and earnest endeavour. This distinction has been our most prized possession over a decade.

The dynamic legacy of Chandigarh Group of Colleges (CGC) stretching back to more than twelve years is unparalleled in professional education. From its first Campus at Landran established in the year 2001, the group has evolved exponentially in a healthy, growth oriented environment extending to state of the art campuses at Gharaun and Jhanjeri(Mohali). With a current strength of more than 20,000 students, CGC offers a vivid portfolio of 37 diploma, undergraduate and post graduate courses in diverse fields. CGC envisions placements as not just a 100% quantitative approach; it gives great importance to the qualitative profile of opportunities for its students. Resultantly, CGC students have got multiple offers in top notch companies with hefty pay packages. Amongst our corporate partners are companies like TCS, Infosys, L&T Infotech, Birlasoft, Mahindra, Verizon, HCL Comnet and Cummins to name a few.

CGC is adding another luminous chapter to its already rich Legacy.

SETTING A NEW BENCH MARK IN QUALITY PLACEMENTS

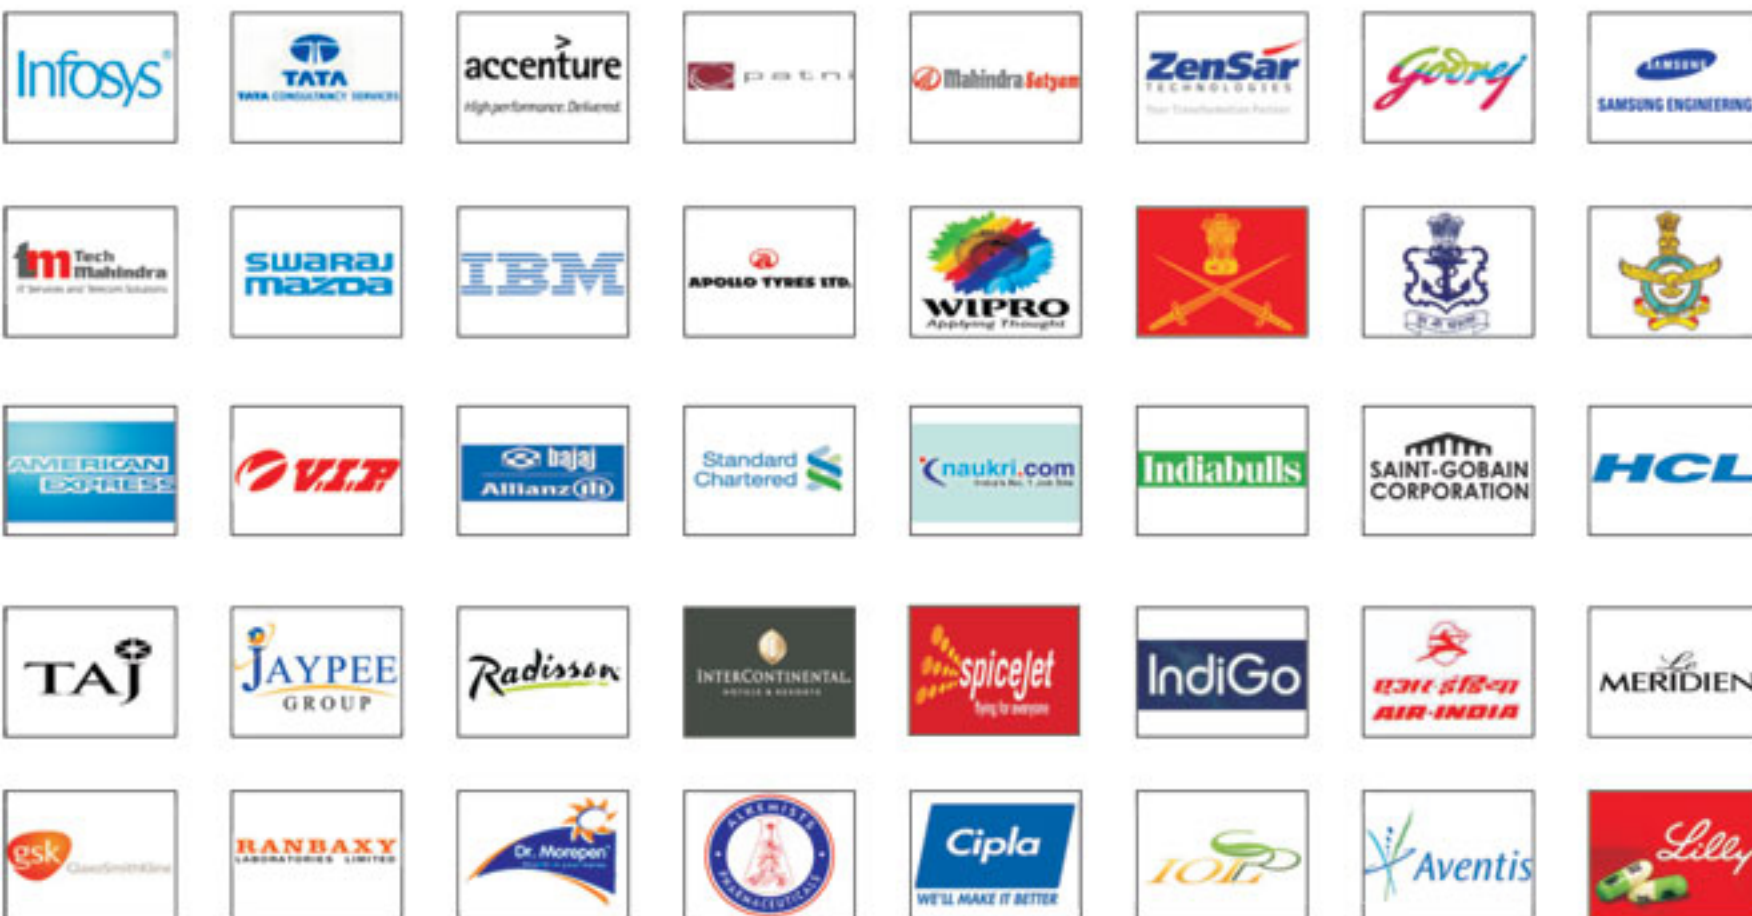

We have special focus on placements & have emerged as a real hub of placements in the northern region, especially for undergraduate students. Hundreds of students have gained these opportunities and made it big with placements in top national and multinational companies (MNCs).

We invite companies from diverse industries having need for under-graduates in the field of Engineering, Hospitality, Computer Applications, Commerce, Bio-Technology, Pharma, Business Administration and others. The companies hire our students across various fields and place them across India at their corporate offices and project sites. With the help of strong alumni network and industry links, the group has conducted plethora of successful placement drives.
