

## HOW TO APPLY

For Engineering & MBA courses, two-third seats form the State quota which are filled by PTU through online centralized counseling. For these seats, the students should visit PTU's website [ptu.ac.in](http://ptu.ac.in). Remaining one-third are Management quota seats filled by the college directly. All seats in M.Com / BBA / BCA / B.Com. (Hons.) BBA (Service Industry Management) / B.Sc. Honours (Agriculture) / B.Sc. (Fashion Technology) are filled directly by the college through online counseling. For this, the students may visit the college personally or the college website [www.cgc.ac.in](http://www.cgc.ac.in).

Note : 5% seats in B.Tech courses 1st year & LEET are offered under

'Tuition Fee Waiver Scheme' for which admissions are done by PTU.

SC/ST students of Punjab whose family income is less than Rs. 2.5 lacs per annum are not charged any fee. Entire fee is reimbursed to SC/ST students of other states by their respective state govts. All SC/ST/OBC/minority students have to apply for Post-Matric Scholarship Scheme of the Govt. through the Registrar Office of the college to claim this benefit.

CGC Jhanjeri is known for Zero Tolerance towards Ragging.

## ABOUT

Chandigarh Group of Colleges, established in 2001 is superlative in giving professional education to students from across the globe. Students at CGC are guided by an experienced faculty who are alumni of IITs and other top institutions of the country. CGC has emerged to be the leader in unique teaching methods, path-breaking researches, and grooming the personality of the students. The majesty of the learning process at CGC is evident through enviable quality placement offers from leading national and multinational companies, much before the students finish their chosen program.

## ABOUT CGC JHANJERI

CGC, Jhanjeri established in 2012, is the latest and the most modern campus of Chandigarh Group of Colleges. At CGC, Jhanjeri, Faculty of Engineering offers B.Tech (Civil/ Mechanical/CSE/ECE) courses, and Faculty of Management provides degree courses in MBA, M.Com, BBA, BBA (Service Industry Management), BCA, B.Com (Hons.), B.Sc. Honors (Agriculture), B.Sc. (Hons.) Nutrition & Dietetics, B.Sc. (Non-Medical), B.Sc. (Computer Science), B.Sc. (Animation & Multimedia Technology), B.Sc. (Hons.) (Food Technology), B.A. (Journalism & Mass Communication), B.Sc. (Medical Lab Sciences), B.Sc. (Radiotherapy Technology), B.Sc. (Operation Theatre Technology), and B.Sc. (Fashion Technology). All the courses offered are duly approved by the Government of Punjab while Engineering and MBA courses are approved by All India Council for Technical Education, New Delhi also. Both the faculties are affiliated to IKG PTU, Jalandhar.

At CGC Jhanjeri, extra-curricular activities play a pivotal role in overall personality development of students. As a result our students have brought many accolades to the campus in various inter college sports and cultural competitions organized by IKG PTU and other leading institutions. Emphasis on the "practical-application of the concepts" has resulted into fabrication of projects which have won prizes at IITs, Pushpa Gujral Science City and other National Level competitions. Industrial visits and seminars by experts form a regular feature of this institution. CGC attaches utmost importance to placements for its students and offers a 360 degree pre-placement training programme. Every year in-campus placement drives are conducted by leading National and Multinational companies (MNCs), thereby providing a plethora of opportunities to our students to kick-start their career.

## TOP REASONS TO BE A PART OF CGC JHANJERI

1. Quality education through highly-qualified & experienced faculty resulting in a record number of students in IKG PTU's merit lists year after year.
2. **INDISPUTABLE LEADER** in **CAMPUS PLACEMENTS** with over 627 top notch companies visiting CGC, making 6314 offers with highest package of Rs. 31.77 lacs per annum.
3. Comprehensive 360-degree **PRE-PLACEMENT TRAINING** program with corporate -recognized employability tests ensuring industry-ready graduates & post-graduates.
4. Vibrant campus with state-of-the-art infrastructure organizing various cultural, educational, sports & other activities throughout the year.
5. Provision of Students Care Centre to solve their problems under one roof.
6. Student-centric facilities including e-classrooms, high-tech labs & workshops, well-stocked libraries possessing e-Books & e-Journals, well-networked transportation, in-campus boys & girls hostels with gyms, dispensary, SBI with ATM, sports facilities, auditorium, and contemporary eating joints.

- ✓ Award for **QUALITY IN PLACEMENTS** presented by ABP News 2015
- ✓ **MOST INNOVATIVE** Group of Colleges 2014
- ✓ Best **MAINTAINED CAMPUS** in Punjab 2013

## B.TECH (Bachelor of Technology)

Eligibility: 10+2 with science subjects

Duration - 4 years

For LEET - Diploma in 3 years in appropriate branch of Engineering or B.Sc. with at least 45% marks

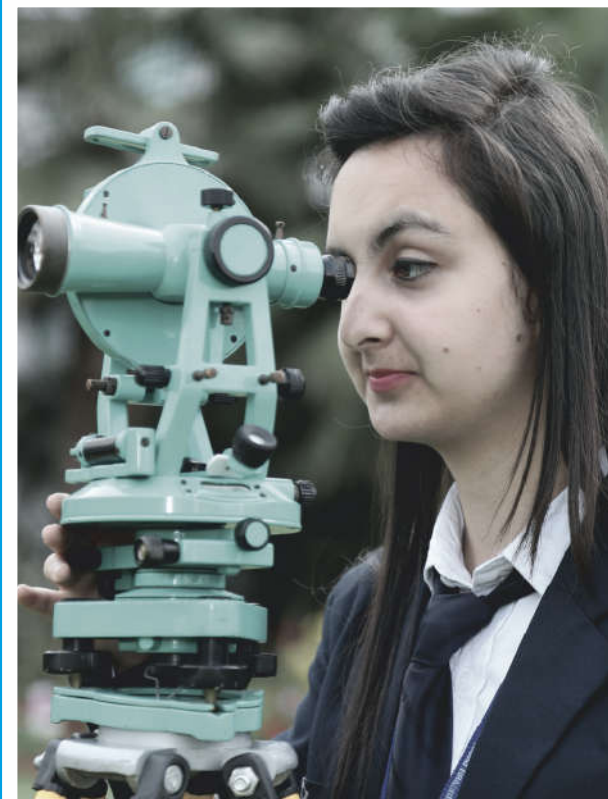

- ❖ Computer Science & Engineering
- ❖ Electronics & Communication Engineering
- ❖ Mechanical Engineering
- ❖ Civil Engineering

## BCA (Bachelor of Computer Application)

Eligibility: 10+2 (any stream)

Duration - 3 years

We at CGC Jhanjeri prepare future-ready engineers and computer application experts for technologies emerging globally. Engineering graduates from CGC have exceptional placement records with esteemed national and international companies such as Microsoft, Wipro, Infosys, TCS, IBM, L&T, Samsung, Capgemini, Accenture, Cognizant, TechMahindra etc.

## MBA, M.Com, BBA, BBA(SIM), B.Com (Hons.)

CGC stands honoured with the prestigious "B-School Leadership Award" and having MoU with National Stock exchange. Every year premier companies like HDFC Bank, ITC Limited, Bose, Tommy Hilfiger, Royal Bank of Scotland, Medisons Street, Bajaj Electronics, Godrej & Boyce etc. keep visiting the campus to hire management students.

### MBA (Master of Business Administration)

Eligibility: Graduation (any stream)

Duration: 2 Years

### M.Com (Master of Commerce)

Eligibility: Graduation in Commerce / Management / Business Administration with at least 50% marks.

Duration: 2 Years

### BBA, BBA (Service Industry Management),

Eligibility: 10+2 pass (any stream)

Duration: 3 Years

### B.Com (Hons.)

Eligibility: 10+2 with at least 33% marks for commerce students or 40% marks for students having opted two of the subjects of Accountancy Business Studies, Economics, Maths, Office Management & secretarial practice, principle & practice of insurance, tax procedure & practice or 45% marks for others.

Duration: 3 Years

## B.Sc. Honours (Agriculture)

Eligibility: Eligibility: 10+2 (Physics, Chemistry, Maths/Agriculture/Biology) with at least 50% marks

Duration : 4 years

B.Sc. Honors (Agriculture) graduates have wide-ranging placement opportunities in several sectors like Agriculture, Horticulture, Home Science, Forestry, Fisheries Science, Fertilizers and Chemical industry, and Food Science & Technology, across the nation. Companies like Cargill, Ebro India Pvt. Ltd., Jeevan Organics, Sakata Seed etc. Visit CGC Jhanjeri to carry out campus placements and almost all the eligible students interested in getting a job get placed before they pass out.

## B.Sc. Fashion Technology

Eligibility: 10+2 (any Stream)

Duration: 3 years

CGC Jhanjeri offers a specialized course in Fashion Technology, thereby providing a plethora of career opportunities. A number of reputed companies including Tommy-Hilfiger, Shoppers Stop, Marks & Spencer, Aditya Birla Fashion & Retail, Omega Design, SVG Fashion Ltd. etc. carry out placement drives for the students.

## B.Sc. Non-Medical

Eligibility: 10+2 pass with Non-Medical (PCM) with at least 50% marks.

Duration - 3 Years

B.Sc. (Non-Medical) comprises of subjects like Physics, Chemistry, and Mathematics. Popular employment areas are educational institutes, space research institutes, chemical industry, environmental management and conservation, forensic crime research, testing laboratories, geological survey departments, wastewater plants, aquariums, forest services, oil industry, etc. These graduates may work as scientists, scientific assistants, research analysts, teachers, technical writers/editors, chemists, enumerators, and research scholars etc.

## B.Sc (Computer Science)

Eligibility: 10+2 with Non-Medical (PCM) Duration : 3 Years

To meet the rising demand of skilled IT professionals, we offer B.Sc. (Computer Science) program that aims to provide comprehensive knowledge to the students covering a spectrum of fields, thus enabling them to become IT professionals.

B.Sc. (Computer Science) graduates have job opportunities in IT companies like Wipro, Infosys, TCS, Tech Mahindra, Capgemini,

Cognizant, Cvent Inc., Acceleror Tech., Mithi Software Tech., Om Careers, Collabera Tech, etc. Further, some of the leading companies like Wipro have introduced programs like WASE (Wipro Academy of Software Excellence) and WIMS (Wipro Infrastructure Management School) which enable BCA and B.Sc. students for Software Engineering programs & IT Infrastructure Management Services.

## B.Sc. (Hons.) Food Technology

Eligibility: 10+2 pass with Medical or Non-Medical (PCM or PCB) Duration - 4 Years

Food Technology is a branch of science that deals with the techniques involved in production, processing, preservation, packaging, labeling, quality management, and distribution of food products. The field also involves techniques and processes used to transform raw materials into food.

Graduates can take up jobs in different domains such as hospitals, restaurants, food processing companies, catering establishments, soft drink manufacturing firms, spice, cereal and rice mills, quality control organizations, food research laboratories, packaging industries, etc.

## B.Sc. Animation and Multimedia

Eligibility: 10+2 (any stream)

B.Sc. Animation and Multimedia offers specialization in 2D and 3D animation and creation of special effects. Students can find jobs in TV channels, production houses, design/ creative firms, IT software companies, video gaming industry, etc. These professionals can find profiles of a Web designer, Animation Graphic Artist, Game Tester and Reviewer, Software Developer, Game Developer, etc.

## B.Sc. (Hons.) Nutrition & Dietetics

Eligibility: 10+2 pass with science (Medical / Non-Medical) Duration - 4 years

The problems like diabetes, obesity, heart problems, hypertension, cancer etc. need both curative and preventive nutrition. This course deals with the study of the influence of food & diet on human health. After the course, students can guide people on their eating habits & nutrition.

The course opens up job opportunities for students in hospitals, clinics, fitness centers, gyms, slimming centers, food manufacturing centers, research projects, etc. They can also start their own private diet clinics which are highly in demand.

## B.A. Journalism & Mass Communication

Eligibility: : 10+2 pass (any stream) Duration - 3 years

B.A. Journalism & Mass Communication course is designed to offer basic journalistic skills in various mass media. The course also provides professional familiarity with various technologies involved in mass media like computer applications, software and hardware applied in print, radio, television, internet and other forms of media. These graduates work in capacities such as Feature Writer, Columnist, Fashion Photographer, News Analyst, Public Relations Officer, Radio Jockey (RJ), Special Correspondent, Video Jockey (VJ), TV Correspondent, Staff or Freelance Writer, Correspondent, Illustrator, Photojournalist, Journalist, etc.

## B.Sc. Operation Theatre Technology

Eligibility: 10+2 with medical subjects (PCB) with at least 50% marks Duration - 3 years (6 months internship is mandatory)

B.Sc. in Operation Theatre Technology is identified with all the work and management of the operation theatre. During the study, the candidates are taught about all the surgical instruments, their disinfection, and sterilization. Candidates help the specialists amid operations. Such students are hired in capacities such as Plant Taxonomist, Plant Ecologist, Plant Morphologist, Cytologist, Physiologist, Geneticist, Palynologist, Pathologist.

## B.Sc Medical Laboratory Sciences

Eligibility: 10+2 Medical or Non-Medical (PCM or PCB) with at least 50% marks Duration - 3 years

Medical Laboratory Sciences is an allied health profession concerned with the treatment, diagnosis and prevention of diseases through the use of clinical laboratory tests. Graduates of MLS work as Laboratory Technician, Laboratory Manager, Medical Officer, Research Associate, Medical Record Technician, Resident Medical Officer, Lab Assistant, Laboratory Testing Manager, etc.

## B.Sc Radio Therapy Technology

Eligibility: 10+2 Medical (PCB) with at least 50% marks Duration - 3 years (6 months internship mandatory)

Radiology is a branch of medical science that is constantly in demand for the diagnosis of diseases. Students graduating in Radio Therapy Technology get opportunities as Radiology Technician, Radiologist, MRI Technician, Radiology Assistant, Radiology Technologist/Radiographer, Ultrasound Technician / Diagnostic Medical Sonographer, Radiology Nurse, CT Tech / CAT Scan Technologist / CT Scan Technologist etc.

# CGC JHANJERI

stands honoured with highest number of

## PLACEMENTS of 2020 BATCH STUDENTS

## 360- Degree Training

To maintain the legacy of record-breaking placements year after year at CGC, a 360-degree Training and Placement program (TPP) has been designed which works on honing the aptitude, technical, professional, and interpersonal skills of the students.

The Trainers' team at CGC involves a large number of senior academicians and industry experts to brainstorm and imbibe the required skill sets in students.

## RESEARCH & PATENTS

### SOME OF THE PRESTIGIOUS PROJECTS MADE BY OUR STUDENTS

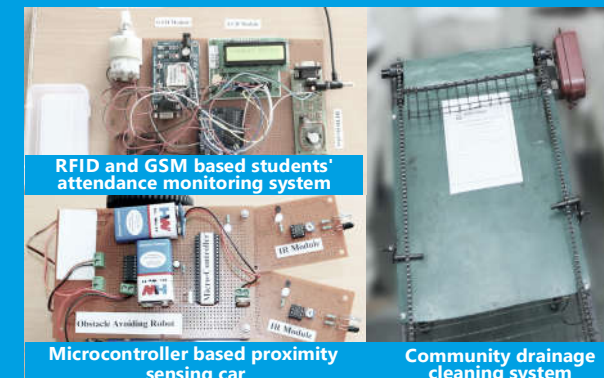

CGS wins First Position in all the Dynamics Events & Bags 4 Trophies with Cash Prizes in All India "e-go Kart" National Super Karting Championship organized By Sr Motorsports At Hasten Speedway's Hyderabad

Mechanical Engineering students bring Laurels to CGC Jhanjeri by winning 1ST RUNNER-UP TROPHY in All India "GO KART" Design Challenge held at Coimbatore, Tamil Nadu 2018

CGC Jhanjeri team "TER-X", OF CSE DEPARTMENT wins 2ND RUNNER-UP POSITION with a hefty cash prize in Smart India Hackathon-2017 held at MUMBAI.

## RESEARCH PUBLICATIONS

CGC Jhanjeri gives full moral & financial support to promote research activities by the students and the staff. For this, all expenses, its presentation & publication in leading journals are borne by the college. As a result, a total of 427 research papers have so far been published in prestigious conferences & journals like International Journal of Computer Science & Engineering, International Journal of Engineering Sciences & Research Technology, Journals: International organization of Scientific Research, International Journal of Multimedia Tools & Applications (Springer), Research Journal of App Sciences, Engineering & Technology etc.

## PATENTS

CGC Jhanjeri has framed a highly student friendly policy regarding filing of patents. While the expenses on developing and filing of patents are paid by the college, all benefits on approval of a patent & its subsequent commercial benefits are passed on to the inventors, students & the concerned teachers consequently applications for a large number of patents have already been filed by the college.

## DEPARTMENT OF INTERNATIONAL AFFAIRS & EXPOSURE

CGC has a strong Department of International Affairs & Exposure which arranges for providing internship programmes semester exchange, Summer Training and higher education opportunities to CGCians. Consequently, a number of our students go to prestigious colleges and universities abroad and a large number of students from different countries come to CGC Jhanjeri for pursuing their studies in different courses here.

With a view to provide international exposure to our students & give them an opportunity to pursue higher studies & seek placement avenues abroad, CGC has signed a number of MOUs with leading Universities & Colleges in foreign countries.

Some of the noteworthy collaborations are Hogeschool Rotterdam, Netherlands, Arts University College Bournemouth, England, Birmingham City University, England, Howest University College, Belgium, University of North Alabama, USA, New College Durham, England, International University of Business, Agriculture & Technology, Dhaka, EPHEC, Bruxelles, Belgium, Niels Brock Copenhagen Business Academy, Denmark, Fontys University of Applied Sciences, Netherlands, Arkansas State University, USA

### SETTING A BENCHMARK IN

Students of CGC Jhanjeri possess the distinction of capturing highest number of positions in the Merit lists of PTU.

They have been bagging university merit positions year after year. Maintaining this trend, our students bagged as many as 124 positions in Meritlists of November 2017 exams. PTU Exams including 6 PTU toppers of the University. In all, our students have bagged 269 positions in PTU's Merit lists including 20 PTU toppers during the PTU exams of Nov 2012 to Nov 2015.
