Hat-trick Victory for CGC Jhanjeri at IM Punjab's Campus Ambassadors Program!

We've done it again – and this time, with a sweeping margin! CGC Jhanjeri has been crowned winner for the third consecutive time in the prestigious IM Punjab Campus Ambassadors Program, recognizing our exceptional efforts in driving entrepreneurship and innovation on campus.

This remarkable achievement is a testament to the passion, commitment, and leadership of our outstanding IM Ambassadors and E-Cell members:

- Sawan (B.Tech Robotics & AI)
- Navneet (B.Tech Blockchain)
- Avneet (B.Tech CSE)

Lift Off Begins: Fueling India's Next Generation of Startups!

Excited to announce **VentureNest : CGC Jhanjeri TBI Association** collaboration with **Wadhvani Foundation** to launch Lift Off, a powerful, fully-sponsored startup acceleration program tailored for early-stage founders and student innovators!

This 4 to 12-week journey is designed to transform raw ideas into scalable, fundable ventures—with world-class guidance, resources, and exposure.

Program Highlights:

- ✓ Startup credits worth \$150,000
- ✓ Access to 25+ investment partners
- ✓ Self-paced learning modules for startup growth
- ✓ Intensive Pitching Bootcamp
- ✓ High-stakes Demo Day with real investors

We're excited to announce that **VentureNest : CGC Jhanjeri TBI Association** has partnered with **Mentorle™** to strengthen our commitment toward practical tech education and innovation-driven entrepreneurship. This collaboration aims to provide our students from IT, CSE, ECE, and allied streams with:

- ✓ Verified mentorship from professionals at Google, Microsoft MVPs, core tech companies & startups
- ✓ Hands-on learning through workshops & bootcamps on Cybersecurity, Blockchain, Agentic AI, Embedded Systems & more
- ✓ Skill-building in real-world tech like PCB design, debugging, product prototyping
- ✓ Startup readiness with direct exposure to innovation labs, hackathons & product-building journeys

But beyond skills, this partnership is about unlocking startup potential and nurturing future founders. By bringing industry challenges into the classroom and offering mentorship on MVPs and product-market fit, we're helping transform bold student ideas into real, scalable ventures.

CGC VentureNest x Fundvice Pvt. Ltd. | Strategic Collaboration to Empower Startups

We're excited to share that CGC VentureNest has signed an MoU with Fundvice Pvt. Ltd, Uttar Pradesh marking a powerful collaboration between two states to empower the next generation of startups!

This cross-state partnership will focus on:

- Incubation & Acceleration Support
- Access to Funding & Investor Network
- Expert Mentorship
- Deal Structuring & Financial Advisory
- Go-to-Market & Scaling Strategies

We are elated to share that CGC Mohali has been recognized among the Top Nominated Institutes for the Yukti Innovation Challenge 2025 and AICTE APF, esteemed initiatives by the Ministry of Education, Government of India.
(As of 24th June 2025)

VentureNest represented at Roundtable Discussion on Operational Guidelines for Chandigarh Startup Policy held at PHD House, Chandigarh, organized by PHDCCI Startup and Entrepreneurship Forum.

This meaningful dialogue brought together policymakers, startup founders, trade bodies, consultants, and industry experts to shape a practical, inclusive, and robust operational framework for the Chandigarh Startup Policy.

Government Recognition for Our Student Startup – MATRIXHIVE INNOVATIONS!

We're proud to announce that our student entrepreneurs – Mohd Arshad Mew, Rishabh Naithani, Prem, and Amandeep (B.Tech-ECE) – have received official recognition from the Government of India for their startup MATRIXHIVE INNOVATIONS PRIVATE LIMITED.

The startup operates in the Technology Hardware and Manufacturing sector.

A Global Force Joins the Advisory Council of VentureNest!

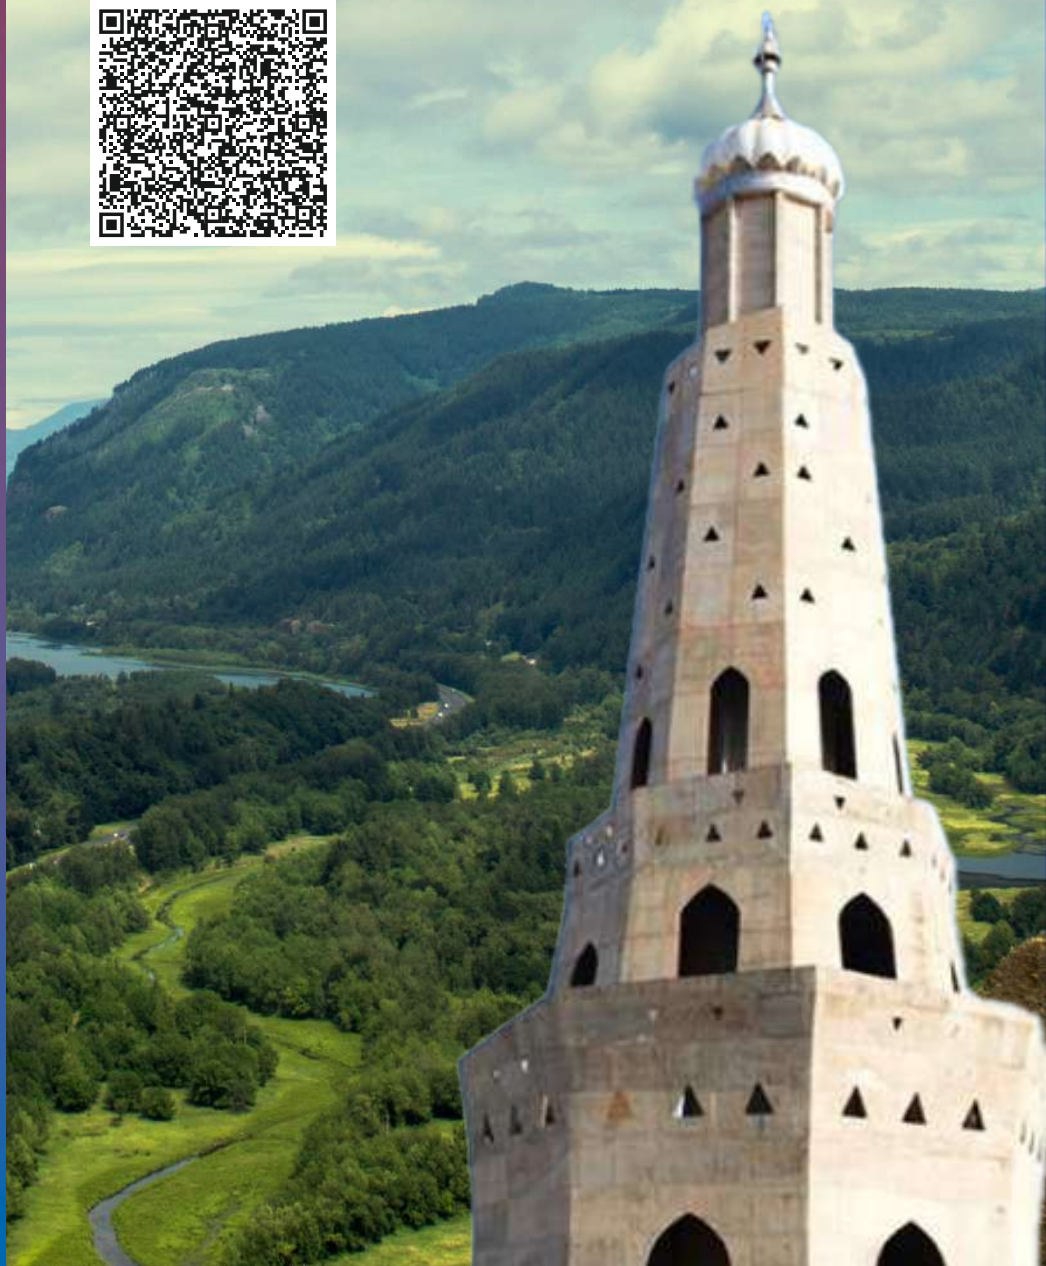

We are thrilled to welcome Mr. Suresh Jeyakumar, Principal PM Manager, Microsoft 365 Engineering & FastTrack Lead – Australia & New Zealand, Microsoft, to the Advisory Council of VentureNest!

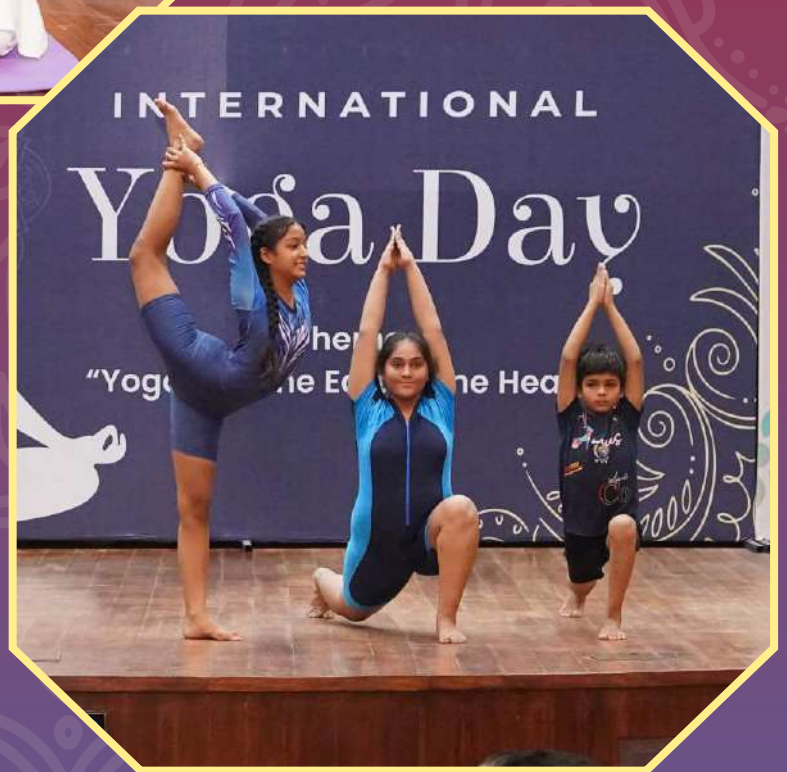

His inclusion marks a significant milestone for us, as we expand our global outlook. With his vast experience in enterprise cloud adoption, cybersecurity, and digital transformation, Mr. Suresh brings invaluable insights that will empower our startups and entrepreneurs to scale with confidence and build for the world.

CGC Jhanjeri Marks World Environment Day with Plantation Drive

Over 500 saplings were planted at Chappar Chiri War Memorial by CGC Jhanjeri students, faculty, and guests, including actor Baninder Bunny. Led by the Department of Student Affairs, Naya Savera Foundation, NCC, and NSS, the event promoted sustainability through plantation and student-made eco-artifacts, fostering green values beyond classrooms.

International Yoga Day 2025

CGC Jhanjeri, Mohali celebrated International Yoga Day 2025 with a rejuvenating morning of yoga, meditation, and wellness under the guidance of Chief Guest Acharya Manish. Organized by the Department of Sports, the event emphasized holistic health, inner harmony, and conscious living. Students and faculty united in a shared pledge to embrace wellness as a lifelong practice.

Chandigarh Engineering College, CGC Jhanjeri, has achieved remarkable national recognition, ranked 3rd in Punjab and 23rd in North India among the Best Private Engineering Colleges by The Week. Deena Kangar Da Itihaas' Launched at CGC Jhanjeri

Renowned Punjabi historian **Dr. Davinder 'Khush' Dhaliwal** unveiled her latest book **Deena Kangar Da Itihaas** at CGC Jhanjeri, in an event that celebrated Punjab's rich rural legacy. The book is a powerful testament to the forgotten village of Dina Kangar, where Dr. Dhaliwal masterfully blends oral traditions with archival research to revive a long-neglected chapter of regional history. By reclaiming the narratives of Punjab's hinterlands, the work not only preserves cultural memory but also deepens the understanding of identity rooted in rural soil. The launch marked a significant contribution to Punjabi historiography and cultural consciousness for generations to come.
