## MEMORANDUM

**Date: 31 July 2020**

**To: New Students of Chandigarh Group of Colleges, Jhanjeri**

**From: The President, Chandigarh Group of Colleges**

**Subject: WELCOME MESSAGE**

Dear Students,

Congratulations, we welcome you to Chandigarh Group of Colleges Jhanjeri (CGC), a campus to obtain quality education. Everyone at CGC Jhanjeri is geared up to channelize your energy threshold for shaping up your career.

The environment at CGC Jhanjeri builds depth of character, traditions, diversity, commitment, adaptability to ever-changing environment with industry recognized academics, along with beautiful natural surroundings, for an exemplary academic environment. We want to foster your career in the vibrant campus, where you take full advantage of the whole lot of amenities that CGC offers. Your safety & well being is and always will be our greatest concern. Thus, we urge you to take appropriate personal and collective precautions when living, learning, working, and playing at CGC campus. We urge your self-commitment to prevent from any such issues which may interfere with the paramount of learning and educational experiences.

We are aware that your college career starts under this particularly challenging conditions of COVID 19. Even as the **Novel Coronavirus** continues to transform our nation and the whole world, the spirit of CGC Jhanjeri family remains as strong and as vital as ever. The entire CGC family has responded to these recent challenges with ingenuity, compassion and a shared commitment. We are eager for you to join and engage in CGC's transformative education even under these exceptional circumstances, given the ever changing nature of pandemic. We at CGC will continue to review and make adjustments in our campus plans from time to time.

While the first semester at CGC will look diverse from the previous year first semesters; we are committed to designing and delivering an outstanding education and experience for you. We will be communicating more as we continue our planning, but today I wish to emphasize a few points:

**CGC will start first semester sessions as planned from September 1 2020 under a blended instruction model, which offers learning with opportunities for students to integrate with technology and remote learning.**

**CGC is working actively to develop protocols, procedures and technology-based tools to prepare for students arriving on campus. All our decisions will be as per the norms and guidance of government and university.**

The objective is to ensure that all students have the most supportive environment possible — both for academic as well as physical, emotional and their mental health. Few of these strategies will include:

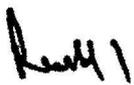

- Adhering to health and safety practices, including use of facial coverings, disinfection of surfaces, and testing and tracing protocols;
- Reconfiguring classrooms, learning spaces and common areas to support physical distancing.
- Making arrangements to reduce density on campus, including smaller class sizes and staggered course schedules.
- Striving for a consistently high-quality experience across both in-person and remote learning environments.

**In due course of time, you will receive detailed information from our enrolment and student affairs teams about the schedule for the orientation and the classes.**

Again, we welcome you to Chandigarh Group of Colleges Jhanjeri and look forward to you having a safe and wonderful learning Experience.

Stay safe, stay strong, stay healthy and stay connected with us via study from home.

With good wishes

**S. Rashpal Singh Dhaliwal**

President

Chandigarh Group of Colleges
