Dear CGC Freshmen,

Greetings and hope you and your family members are all well and keeping safe during this difficult time. We are excited to see you in CGC Jhanjeri campus. Hope you have received the welcome message from our Honourable President of the college.

In the light of latest circular from AICTE, fresh guidelines and revised academic calendar were issued, with regard to start of academic session 2020-2021, in the view of COVID 19.

For these reasons, the college management has made the difficult decision to postpone the orientation session and commencement date of new academic session based on the AICTE guidelines. To be clear, the commencement of session is rescheduled from Tuesday, September 1 2020 to Monday, 5 October 2020. *The tentative schedule is given below.* We know that orientation followed by academic sessions is an important event for new students and their families. Thus, orientation program would be designed to assist you and your parents/family/guests to give an overview of the complete realm of college life, from academics to social activities that leads to better placement in life.

In the meantime, we request you to please remain connected with us through webinars, motivational talks, campus connect programs etc. to enhance the skills. The links of the activities would be shared with you from time to time.
